THE NEWSLETTER OF ST. STEPHEN LUTHERAN CHURCH

Williamsburg, Virginia **November 2026**

THE ROYAL THRONE IN THE MARGINS

On Christ the King Sunday this year, St. Stephen Lutheran Church will celebrate a joyous milestone, our 70th anniversary. It is incredibly fitting (and intentional) that this celebration falls on Christ the King Sunday, the grand finale of the church's liturgical year.

When a congregation reaches seven decades of ministry, the natural temptation is to measure our success by worldly standards. We look at the physical beauty of our sanctuary, the stability of our budgets, the history of our programs, and the endurance of our institution since our founding in 1956. Earthly kingdoms and institutions always measure their glory by their monuments and their wealth.

But the Gospel assigned for this exact Sunday offers a shocking counter-narrative to how we celebrate our success. In Matthew 25, Jesus tells the parable of the Sheep and the Goats, painting a final, majestic picture of his kingship. Yet, the King on this throne does not ask to see our membership rolls, our architectural blueprints, or our anniversary plaques. Instead, his metric for faithfulness is radically different, "I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me."

When the righteous ask when they ever saw the King in such a state, he answers, "Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me." This text reminds us that Christ's throne is not found in places of earthly prestige; it is found in the margins. And for 70 years, the truest legacy of St. Stephen Lutheran Church has not merely been contained within our walls, it has been lived out in those margins.

Every time this congregation has mobilized to feed a hungry neighbor, every time we have opened our doors to welcome an outcast stranger, every time we have cared for the sick, comforted the grieving, or advocated for the vulnerable, we have encountered Christ the King.

That is what we are actually celebrating this month. We aren't just celebrating a charter or a building. We are celebrating 70 years of seeking and serving the living God in the faces of the people the world so often forgets.

As we give thanks for the past seven decades and prepare to turn the page into the season of Advent, we are invited to look toward the future. May the next 70 years of St. Stephen Lutheran Church be defined by this same upside-down Kingdom. May we continue to find our greatest joy, our deepest purpose, and our truest encounters with the divine not in our own institutional prestige, but in the faithful, messy, beautiful work of loving our neighbors.

In Christ,
Pastor Jon

CONGREGATION COUNCIL

What's Happening at Congregation Council

The Congregation Council last met on Tuesday evening, October 13. Per tradition, the meeting started with devotions and prayers.

The minutes of the September Council meeting were reviewed and approved.

Old Business was then reviewed by Council.

- **Heating and Air Conditioning System:** As discussed at the September meeting, we are still having issues with humidity and temperature regulation. We are withholding final payment on the system until we can be assured that it is functioning properly. We had addressed this with a legal firm in town only to discover that they represent Cox-Powell, the local HVAC Contractor on our project. Other law firms that can be of help have been suggested. Counsel will be sought from one of those sources.
- **Website:** The Website Committee has been working toward development of the new website. Currently, materials are being uploaded with plans of fully developing the site in the near future.
- **Call Committee:** The call has been submitted through the Synod looking for a part-time pastor and, to this point, there has not been a response to our call.
- **Visioning process:** The first meeting for the Visioning Process was announced for Saturday, October 17. Another will be offered in November on a different day of the week, and possibly a third session will be held depending on the response. Comments and data obtained will be summarized for Council and a report will be presented at the January congregational meeting.
- **Budget process – Finance Committee:** The Finance Committee met this week and reports that collections are about eight percent behind where we should be for the steady collection of pledges over 9½ months of the year. While November and December often are larger collection months because of lump-sum IRA payments and other end of year gifts, this is farther behind than usual. On the other hand, pledge cards for 2027, while not fully collected, are showing a favorable trend for increases in pledged amounts.

  Some expenses are expected to be higher. For example, the HVAC system is all-electric and the electric bill is currently approximately $3,000 per month. There are discussions of adding solar panels to the back roof to help offset that expense. Staffing expenses are 60% of budget which is felt to be very reasonable.

No new business was presented at the meeting.

Officer and committee reports were presented:

- **Pastor's Report:** Pastor Jon continues to be extremely busy with all of the services and ministries. Recently there has been a lot of end-of-life ministry as well. He finds great joy particularly in the Faith5 Ministry with families with youths and has made contacts with other ELCA Churches to expand this effort
- **Director of Music:** Karen Ives' report shows the joy she brings to all of us with the choirs, the college performers, the ringers, the Orchaband and her various soloists as well as her own keyboard and singing talents that make our services so wonderful and inviting!
- **Endowment:** Financial Markets lost somewhat over the last month but the Endowment Funds have performed satisfactorily. Requests for funding have been agreed to by the Endowment Committee for Vacation Bible School, Men's Retreat, and other activities. To this point, approximately $1,500 remains in the funds that the Committee could distribute to ministries of the church by the end of this calendar year.
- **Preschool:** The Preschool is functioning very well and enjoys a great reputation and support within the community.
- **Stewardship:** The "Time and Talents Survey" has been quite successful in identifying individuals with gifts and energy that they are willing and able to dedicate to the church. Those individuals are being connected with the appropriate church leaders and contacts. Pledge cards appear to have favorably increased pledging although not all pledge cards have been turned in as of this time.

After reviewing these reports, the meeting was adjourned.

THEOLOGIAN IN RESIDENCE PROGRAM

The Rev. Kimberly Knowle-Zeller, the 2026 Theologian in Residence (TIR) on September 25-28, was a true gift to the St. Stephen members who attended the Saturday session and heard Rev. Kim preach on Sunday. Members are still talking about how much her presentation reminded us that the God of all creation is also present in our ordinary days. She told a story of a vase that belonged to her father appeared on her doorstep by surprise after many years. How you can even speak a blessing while waiting for the school bus. And the small moments we overlook. In apparent repeat of the same miracle, without prior planning the potluck lunch provided more than enough dishes for everyone. The TIR committee thanks all those who participated or were in church Sunday. We look forward to welcoming an April 2027 Theologian -- our own Virginia Bishop, The Rev. Dr. Phyllis Blair Milton.

Lou Rossiter

The Theologian in Residence Program is funded by the SSLC Endowment Fund.

STEWARDSHIP ESSENTIALS

November is the month of Thanksgiving. We should all, of course, be thankful for our many blessings year-round. We are thankful for all of the pledges turned in which will help to plan the future for St. Stephen. But we are also thankful to everyone who signed up to help with our various ministries and committees. Without your help, our ministries and our Sunday services could not take place as they do.

Helping hands, be it those who prepare a meal or ring a bell, sing a hymn or bake the bread, or prepare the altar or lead a program or serve on a committee, are what make our Sunday service, our many programs and our work in the community flourish. Thank you. And should you see a need or feel called to help in any capacity, it is never too late to join in, to offer your particular talent, whether if only for a season or an ongoing commitment. Your contributions of time and talent are needed and appreciated.

STEPHEN MINISTRY AT ST. STEPHEN

When I tell people I'm a Stephen Minister, the reaction I usually get is, "Huh?"

When I explain a bit more, the next reaction is often, "And you do that for free?"

I understand their reactions. It's not the kind of thing we see these days, is it? If you tell someone in crisis you're going to give them high quality, confidential, one-on-one care, weekly, for as long as they need it, well, they're going to start to look for a catch. And there isn't a catch. To me, that's part of what makes it Christ-centered care. As Stephen Ministers we're trying our best to sit with you and live out the kind of care for one another Christ enjoined us to. It's one hour a week where we try to live out the Kingdom of God, and hope from there it can spread.

The problems our care receivers face are often great, the transitions and endings, both natural and unnatural, that can happen in life. Honestly, if I felt I had to fix any of what our care receivers, the person we're helping, go through, I'd probably be overwhelmed in an instant. But mercifully, that's not our job. That's really between God and our care receivers. Our job is to listen, to comfort, and maybe refill their coffee cup as needed. The good thing is we get training for that too.

It's November now, and the next Stephen Ministry training will begin in January. If you haven't taken the Stephen Minister training, I hope you'll think about it. Whether you have or not, I hope you'll pray for our care receivers, and maybe us Stephen ministers once in a while. Finally, I hope we'll all give our Stephen minister trainees next year every kind of support we can. Having gone through the training myself just this year, I can tell you the support of the church means the world to our trainees!

Elara Strand, Stephen Minister

WILLIAMSBURG AREA MEALS ON WHEELS

As summer comes to a close, we would like to express our heartfelt appreciation for your generous donation of $1,000. Your support helped Williamsburg Area Meals on Wheels provide more than 14,000 nutritious lunches to children living in area motels and Section 8 housing. At a time when rising food and fuel costs are placing tremendous strain on local families, your compassion made a meaningful difference.

While our Summer Meals for Kids Program is an important part of our mission, our work does not end when children return to school. Throughout the year, Williamsburg Area Meals on Wheels serves older adults and individuals with disabilities who are unable to prepare meals for themselves because of physical or cognitive limitations.

Each weekday, our volunteers deliver more than a hot, nutritious meal. They also provide a friendly visit, a reassuring smile, and an important safety check for neighbors who may otherwise feel isolated or forgotten. We continue this essential work throughout the remaining nine months of the year – and every season – ensuring that our most vulnerable neighbors receive nourishment, compassion, and human connection.

Thank you for supporting the Summer Meals for Kids Program and the year-round mission of Williamsburg Area Meals on Wheels. Together, we are bringing food, dignity, and hope to neighbors who too often experience hunger and isolation in silence.

Catherine S. Upton, Executive Director, Williamsburg Area Meals on Wheels

OTMDC Olde Towne Medical & Dental Center

On behalf of Olde Towne Medical & Dental Center and the patients we serve, I would like to thank you for your contribution of $1,500 to support our mission. We appreciate your trust in our organization and services.

For over 30 years, Olde Towne has provided high-quality medical and dental care to more than 10,000 neighbors living and working in the greater Williamsburg area. Your generous support allows us to continue making a meaningful difference for children and adults who otherwise lack access to essential healthcare.

Our mission remains steadfast: "To assure access to quality health and wellness care to the residents and workforce of the greater Williamsburg community." Because we turn no one away, your contribution is a vital component of our ability to serve. Your gift truly is the gift of health.

Thank you again for your deep commitment to our community's well-being.

Aaron L. Thompson, MBA, CRHCP, CMR, Executive Director

REFORMATION SUNDAY (OCTOBER 25)

LUTHERAN STUDENT ASSOCIATION (LSA) NEWS

THE WILLIAM & MARY LSA HOMECOMING LUNCHEON

For over a year, we had been planning the William & Mary LSA Homecoming Luncheon, which was held on October 24. We welcomed 55 guests, including local alumni and alumni who traveled from as far away as Minnesota and Chicago, Illinois. To our surprise, about half of the guests had graduated before 2000, with the earliest graduate having completed their studies in 1974. In addition to attending the luncheon, most guests also attended Sunday's Reformation worship service.

The LSA alumni were delighted to connect with current students, fellow alumni, and the people of St. Stephen. Stories and memories were shared throughout the afternoon, and the excitement in the room was contagious. Current student officers greeted the guests, led the invocation, and hosted a door-prize raffle that was a big hit. The luncheon, catered by Two Drummers, was delicious and enjoyed by all.

Many thanks to the students who gathered email addresses and phone numbers, sent emails, repaired the yearbooks, collected pictures, set up the hall, participated in the event, and listened to and shared stories. We also thank Chris Punchard, Lori and Tobias Janke, and Emily and Lou Rossiter for serving the food and supporting the event. Finally, we thank the staff and leadership of St. Stephen for their continued support.

WALK FOR A CURE

LSA students participated in a walk to support Alzheimer's research and awareness. On October 31, four LSA students gathered in New Town for a Walk to Cure Alzheimer's. They formed their own team and walked in support of family members and friends who provide caregiving or live with this devastating disease.

Alzheimer's affects one in three families through caregiving, direct diagnosis, or close extended-family ties. The likelihood of developing Alzheimer's disease at age 65 is approximately one in 10, increasing to one in three by age 85. For those with a family history of Alzheimer's, the risk is higher. The students of LSA welcomed the opportunity to participate in this important community event.

ST. STEPHEN LUTHERAN PRESCHOOL

October was filled with fun, learning, and lots of fall adventures at preschool! During Fire Safety Week, we welcomed a special visit from a fire truck, giving our little learners an exciting opportunity to learn about fire safety and meet some of the community helpers who help keep us safe.

We also enjoyed a wonderful field trip to Holly Fork Farm. The children had a blast feeding the animals, picking pumpkins, exploring the corn and tire playgrounds, and taking a fun hayride around the farm. It was a memorable day filled with hands-on learning, outdoor play, and plenty of smiles.

Our Halloween celebrations brought even more excitement as we went trick-or-treating around the church offices with **Karen**, **Pastor Jon**, **Gerry**, **Hollie**, **Beth**, **Jeanne**, **Janice**, and **Diana** all dressed in costume to hand out the treats. The children loved showing off their costumes and spreading some Halloween cheer to everyone they visited. Pictures from our trick-or-treating adventure are coming soon.

We also enjoyed carving pumpkins together, celebrating the season with a classic fall activity that let the children explore their creativity. **Pastor Jon** talked about finding Jesus in ourselves and sharing our love with others. Our little learners really love their weekly chapel songs and stories with Pastor!

As we welcome November, we are looking forward to more opportunities to learn, play, create, and make special memories together. We are so thankful for all the wonderful moments we get to share with our preschoolers and their families. Happy November!

Jessica Kimball, Preschool Director

MUSIC NOTES

NOVEMBER SPECIAL SERVICES

On **November 1**, we celebrate All Saints Day with a large choral work by Aaron David Miller entitled *Behold Your Saints in Glory: Worshiping with the Saints*. This work for choir, organ, trumpet, and assembly is a complete multi-movement programmatic piece, including readings and prayers from the saints through the ages:

- Thomas Aquinas (1225-1274)
- Francis of Assisi (1182-1226)
- Patrick of Ireland (372-466)
- Mother Teresa of Calcutta (1910-1997)

We welcome Isaac Guinn as our guest trumpeter. One service only this day at 9:45 a.m.

On **November 8**, we welcome to our pulpit the Rev. Tina Toburen, our Virginia Synod's Director for Youth and Young Adult ministries. Our women will have completed their Fall Workshop on November 6-7, thus, we will enjoy a women's choir to lead our congregational song this day.

On **November 15**, our St. Stephen Ringers are ringing our praises again for both services. At the **11:00 a.m.** worship service, our Chancel Choir will be singing a classic favorite amongst church musicians and choirs, *E'en So, Lord Jesus, Quickly Come* by Paul Manz with lyrics adapted by his wife Ruth Manz from the Book of Revelation. The couple wrote this motet in 1953 during a time when their three-year-old son was critically ill. Reflecting on the time, Ruth Manz reported, "I think we'd reached the point where we felt that time was certainly running out so we committed it to the Lord and said, 'Lord Jesus quickly come.'" While at his son's bedside, Paul Manz began drafting the composition, which later became the current piece. Their son did recover, which the couple attributed to the power of prayer.

On **November 22**, we celebrate Christ the King Sunday, the last Sunday of our liturgical year. We mark this day also by celebrating (a little early) with a Hymn Festival St. Stephen's 70th anniversary. Technically, St. Stephen was organized in early December of 1956. On December 7 of that year, the congregation held a banquet, adopted the constitution and the name, St. Stephen Evangelical Lutheran Church along with electing the first trustees and the first Church Council. The congregation was organized on December 9 with 101 baptized members. In recognizing our church's anniversary, we celebrate the church year in readings and songs of the liturgical seasons including Advent, Christmas, Baptism of our Lord, Epiphany, Lent, Holy Week, Easter, and Pentecost. The Altar Guild will be busy changing out the paraments as we journey through these seasons. Our Orchaband will accompanying our hymnody. A potluck luncheon will follow our one-service at 9:45 a.m. this day.

On **November 29**, we begin a new liturgical year observing Advent 1.

Karen Ives, Music Director

FALL FILM SERIES

All fall films will take place on the **second and fourth Sundays of the month at 2:00 p.m.** in the Fellowship Hall. Light snacks will be provided. There will be an optional discussion for those who stay afterwards. Each month the movies have a theme: November - Women Directors. Any questions/suggestions contact Elara Strand at elaram@mac.com.

November 8, 2:00 - *Dance, Girl, Dance* (1940) Unrated.
Come for: Director Dorothy Arzner, starring Maureen O'Hara and Lucille Ball. On the surface it's a backstage melodrama about a ballerina and a burlesque dancer struggling to stay friends while they compete for work and a man (there's always a man).
Stay for: The real story. This film is a rare gem: a story of women struggling for artistic achievement, self-actualization, and friendship in a blatantly sexist society. The monologue where Maureen O'Hara takes on the male gaze and mocks the audience is alone worth seeing the whole movie.

November 22, 2:00 - *Harlan County USA* (1976) PG (a strong PG).
Come for: Director Barbara Kopple's Academy Award winning documentary on a strike for a union in a small Kentucky town in the early 1970s. The documentary took years to make and impacted documentary-making thereafter. The filmmakers become deeply involved in the lives of the strikers and the result is moving and true.
Stay for: A discussion not just of the union movement at that time, but resurgent union movements in the US and what we can do to support them.

Upcoming Attractions:
Dec. 13 - A Charlie Brown Christmas and other Christmas Cartoons.

NOVEMBER BAPTISMAL ANNIVERSARIES

The significance of baptism, Luther teaches in the *Small Catechism*, is "that the old creature in us with all sins and evil desires is to be drowned and die through daily contrition and repentance, and on the other hand that daily a new person is to come forth and rise up to live before God in righteousness and purity forever."

Your baptismal anniversary is an opportunity to light a baptismal candle and to give some prayer time to reflecting on your experiences during the past year on your journey in faith!
